

Training Stimulus

Supporting your business needs As of November 1st 2015

The Victorian Government is providing significant financial assistance to support your business in recruiting new staff in helping Victorian's get 'Back to Work'.

How it will work for your business

- ◆ Employ a new worker, (either full time or part time) as of 1st November 2015
- ◆ Commit to having your new worker trained as an apprentice or trainee
- ◆ Submit a 'Back to Work' Claim form

How the funding schedule will support your business

Timeline	Back to Work Funding	Back to Work Accredited Training Funding	Apprenticeships Matter Federal Funding *
Start of employment	FT—\$2500 / PT—\$1875		
1 month after training enrolment		Up to \$4000 (to reimburse all training costs)	
6 month point			FT—\$1500 **
9 month point	FT—\$2500 / PT—\$1875		
Completion of training			FT—\$2500 / PT—\$1500

Total Funding available

Full time = up to **\$13,000** per new worker Part time = up to **\$8250** per new worker

*Apps Matter Federal Funding dependant on prior qualifications ** Additional \$1000 Rural & Regional incentive may also apply
Please note: additional funding available if new employee was previously unemployed for more than 26 weeks

How Apprenticeships Matter will support you in making this happen

- ◆ Provide further advice where required
- ◆ Provide free recruitment to assist in finding your new worker/s via SelectanApprentice.com.au
- ◆ Assist you in finding the most suitable training organisation to train your staff
- ◆ Register your new worker/s into a Traineeship or Apprenticeship (available in all industries)
- ◆ Provide ongoing mentoring of your new workers (where required) to assist with retention & completion

Apprenticeships Matter is one of only five federally contracted organisations providing apprenticeship and traineeship support. Our main objective is to support you and other Victorian businesses by introducing new workers via traineeships and apprenticeships into your business. We can also assist you in upskilling your existing workforce by further accessing government funding.
