Interview Preparation

THINGS TO REMEMBER...

- Know your resume
- Work out how you will get to the interview and how long it will take
- Find out the name of who you are meeting
- Do some research on the company who is interviewing you
- Prepare at least 5 questions to ask the employer
- Use the internet to source common questions and prepare some answers
- Practice! Practice! Practice!
- Clean up your Social Media accounts
- The night before prepare your clothes and ensure they are neat, ironed and professional
- Be mindful of your deodorant and perfume, quality of shoes, hair, make up and piercings
- Research what you should take to the interview
- Be familiar with the job advertisement you are applying for
